

# EYE SPY EGGS

8 - 11  
years

Have you ever heard of Easter Eggs hidden in movies? An Easter Egg is a character or object that's not part of the story but is hidden as a surprise and is hard to find - just like an egg in an Easter egg hunt. Some examples are Rapunzel and Flynn at Elsa's coronation in Frozen and ET's family who appear in a council meeting in Star Wars Episode 1. We're hosting our own Egg Hunt using letters hidden in some of our favourite books and movies. To complete the Hunt all you have to do is answer the questions and follow the clues that will lead you to the letters you need to spell the name of a well known and very cheeky rabbit.

## How to play:

- Print out this Egg Hunt and write your answers OR open in Adobe PDF reader and type in your answers.
- Use the Ipswich Libraries [website](#) OR your favourite internet browser to help you solve the questions (please make sure you have your parent or carer's permission).
- Answer the questions and use the clues to lead you to the letters you need. Write the letters in the spaces provided (the eggs!) then unscramble them to spell the name of a famous rabbit.
