Tales AND TRAILS

ABOUT TALES AND TRAILS

Follow the Trail, Read a Tale, Have an Adventure!

Enjoy reading outdoors with your family.
Look for the numbered signs as you follow the path around your local park.

Run your fingers along the signs to discover the touch reading technique of Braille.

This trail features *Hotel for Bees* written by Alison McLennan and illustrated by Erin Dunne. Discover and learn about how magical and important bees are for backyard conservation.

Tales and Trails is proudly supported by Queensland Beekeepers' Association Inc.

Visit the Queens Park Environmental Education Centre or any branch of Ipswich Libraries to collect your Nature Play Passport and Take Home Activity Pack.

ABOUT STORIES FOR LITTLE QUEENSLANDERS

State Library of Queensland has published 12 children's picture books for Queensland's littlest readers as part of First 5 Forever.

Produced exclusively for State Library of Queensland and First 5 Forever, this series reflects the diversity of Queensland, celebrates the uniqueness of our state, and aims to inspire a love of reading and discovery in a new generation of little Queenslanders. The books also showcase writers and artists with a Queensland connection who are based throughout the state.

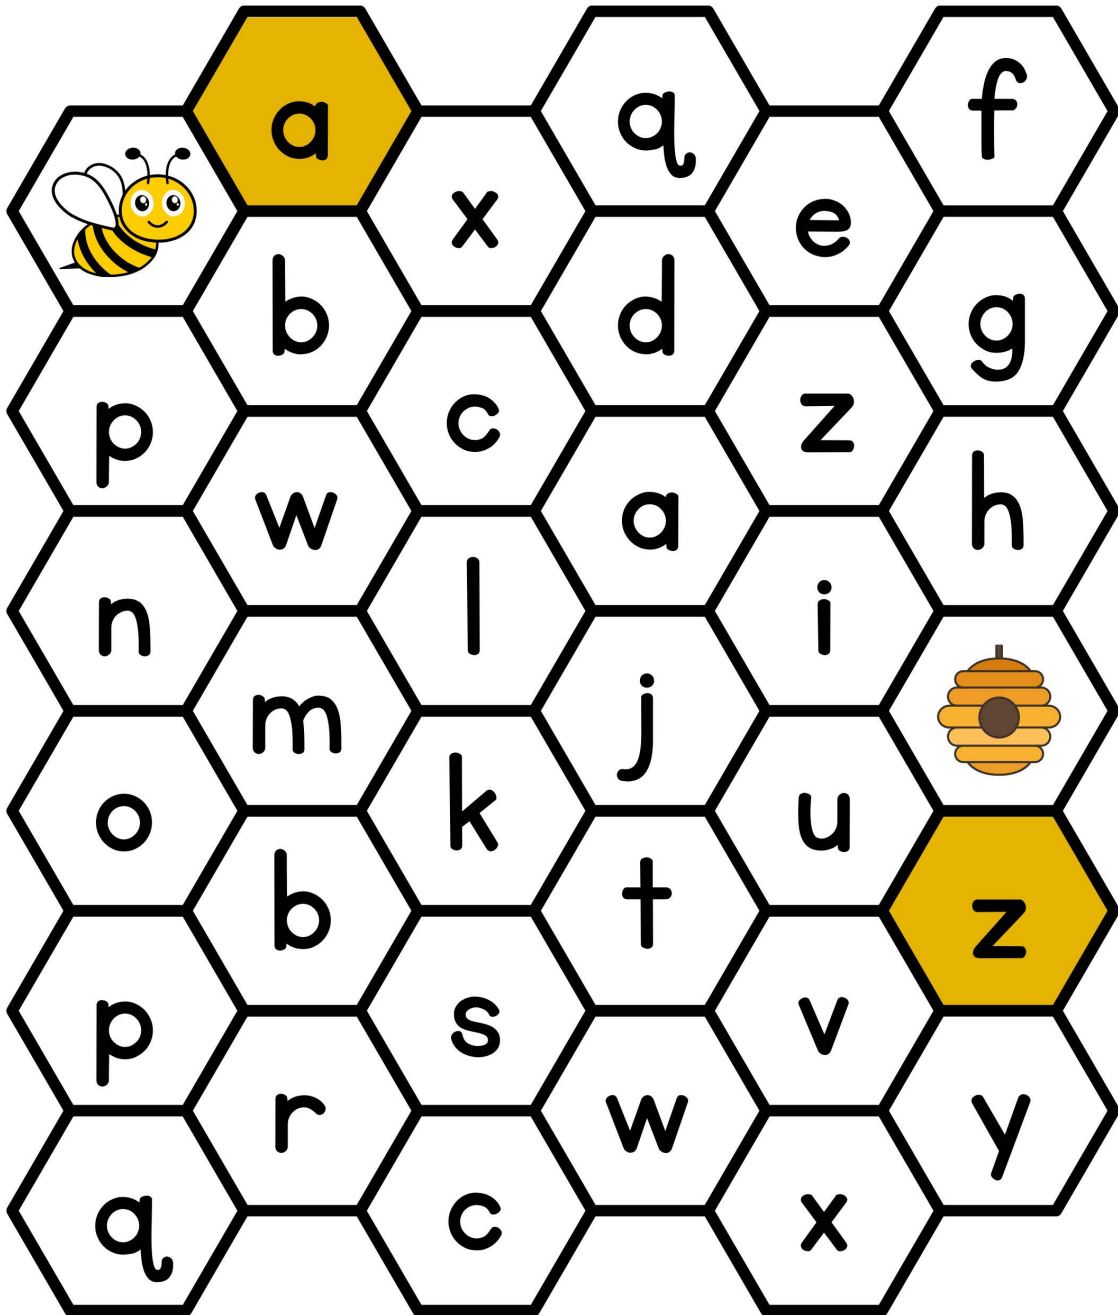

ABOUT FIRST 5 FOREVER

In the first five years, little moments make a big difference. Children learn best from those closest to them – and by talking, reading, singing and playing together every day, families support their child's brain development and help them build a lifelong love of learning and discovery.

Alphabet Maze

Help the bee find its way home through the alphabet maze by colouring in the next letter.

Here is the Beehive

Here is the beehive,
But where are the bees?
Hiding away where nobody sees.
Watch and you'll see them,
come out of the hive.
One...two...three...four...five...
six...seven...eight...nine...ten!
Buzz...buzz...buzz...buzz...buzz.

*Form a first with your hands for the beehives
and use your fingers to count down.*

A Bee's Journey

Trace the lines to help the bee find pollen to bring home and make into honey.

Johnny Works With

Johnny works with one hammer (move right hand)
One hammer, one hammer
Johnny works with one hammer
Then he works with two (add left hand)

...Three (add right leg)
...Four (add left leg)
...Five (add the head)
Then he falls to sleep.
