ABOUT FIRST 5 FOREVER

In the first five years, little moments make a big difference. Children learn best from those closest to them – and by talking, reading, singing and playing together every day, families support their child's brain development and help them build a lifelong love of learning and discovery.

ABOUT STORIES FOR LITTLE QUEENSLANDERS

State Library of Queensland has published 12 children's picture books for Queensland's littlest readers as part of First 5 Forever. Produced exclusively for State Library of Queensland and First 5 Forever, this series reflects the diversity of Queensland, celebrates the uniqueness of our state, and aims to inspire a love of reading and discovery in a new generation of little Queenslanders. The books also showcase writers and artists with a Queensland connection who are based throughout the state.
